

Wireframe for ElectroMart Website

1. Header Section

The header section contains the navigation bar with the following elements:

- Dashboard
- Gadgets
- About Us
- Contact Us
- Login
- Cart (dynamic item count)
- Admin link visible only after login.

2. Main Section - Left Sidebar

The left sidebar contains the main navigation links:

- Dashboard
- Gadgets
- About Us
- Contact Us
- Login
- Cart (displaying item count)

3. Main Section - Right Panel

The right panel dynamically displays content based on the clicked navigation link:

- Dashboard: Displays welcome message and key stats (e.g., Today's Deals, New Arrivals, Free Shipping).
- Gadgets: Displays product categories and grids for electronics like laptops, PCs, and audio devices.

- Booking: A form to book electronics service or repairs.
- Cart: Displays cart items and total price.
- Admin: Displays admin stats and recent orders.
- About Us: Displays company information, mission, and locations.
- Contact Us: Contact form for users to send messages or inquiries.

4. Footer Section

The footer includes:

- Company Name: ElectroMart
- Copyright Information: © 2025 ElectroMart
- Additional links or legal disclaimers (if required).

1. Header Section

The header section contains the navigation bar with the following elements:

- Dashboard
- Gadgets
- About Us

4. Footer Section

The footer includes:

- Company Name: ElectroMart
- Copyright Information: © 2025 ElectroMart
- Additional links or legal disclaimers (if required).

5. Product Grid and Details

Each product card within the grid includes:

- Product Image
- Product Name
- Product Price
- 'Add to Cart' Button
- Hover effect for image scaling and enhanced visual presentation.

The grid is responsive and adjusts to various screen sizes. The product cards are aligned in columns, and the layout ensures a smooth shopping experience across devices.

1. Header Section

The header section contains the navigation bar with the following elements:

- Dashboard
- Gadgets
- About Us
- Contact Us
- Login
- Cart (dynamic item count)
- Admin link visible only after login.

2. Main Section - Left Sidebar

The left sidebar contains the main navigation links:

4. Footer Section

The footer includes:

- Company Name: ElectroMart
- Copyright Information: © 2025 ElectroMart
- Additional links or legal disclaimers (if required).

6. Cart Section

The Cart Section shows:

- A table listing each cart item (product name and price)
- A dynamic total price that updates based on items in the cart
- A 'Proceed to Checkout' button for users to finalize the purchase.

This section also displays a message if the cart is empty, encouraging users to add items. It's a key part of the e-commerce flow, leading to purchase completion.

1. Header Section

The header section contains the navigation bar with the following elements:

- Dashboard
- Gadgets
- About Us
- Contact Us
- Login
- Cart (dynamic item count)
- Admin link visible only after login.
